VACATION SECURITY

This information is provided by the
City of Phoenix
Police Department

An empty house is a tempting target for a burglar. Use this checklist of tips to help safeguard your home while you're away.

- Have good locks on all doors and windows, and USE THEM!
- Ask a neighbor to watch the house while you're away. It's a good idea to leave your vacation address and telephone number with a neighbor so you can be reached in case of an emergency.
- Never leave your house keys hidden outside your home.
- Stop all deliveries, or arrange for a neighbor to pick up your mail, newspapers and packages.
- Arrange for someone to mow your lawn, rake leaves and maintain the yard to give the home a lived-in look.
- Plug in timers to turn lights and a radio or television on and off at appropriate times. This helps to disguise the fact that you are away.
- Turn the bell or ringer on your telephone down low. If a burglar is around, he won't be alerted to your absence by a ringing phone.
- Don't announce your absence on answering machine messages.
- Leave your blinds, shades and curtains in a normal position. Don't close them unless that is what you do when you are home.
- Close and lock garage doors and windows. Ask a neighbor to occasionally park their car at your home as you normally would. Vehicles parked outside should be moved occasionally to appear that they are being used.
- Secure storage sheds, attic entrances and gates.
- Tell your local police you plan to be away. Patrol officers may have the opportunity to periodically check your home.

TRAVEL SAFELY

*At home or away,
staying alert can
save the day!!*

- If you are driving, make sure your vehicle has been properly serviced and is in suitable condition for the journey.
- Try to have specific directions and routes to your destination.
- If you get lost, call the local police for directions or assistance.
- Keep your vehicle doors and windows locked.
- At stop lights and other traffic delays, leave enough space in front of your vehicle so that you have an escape option in case of an emergency.
- Let someone know the route you intend to travel and your itinerary. This will help authorities in locating you if there is a need to do so.
- Plan your trip carefully and allow for factors such as weather, fatigue, facilities for lodging, food, and fuel.
- Be sure you have sufficient finances either cash, travelers checks or credit cards.
- Ask the hotel or motel staff about their security measures so you know what to expect.
- Use the hotel safe to store your valuables during your stay.

RELAX,

have FUN,

and be SAFE!
